“ We are happy with the engagement and level of knowledge that MyRBQM Academy brought to our Operations teams as to the RQBM implementation. And, by using Cyntegrity’s unique RBQM technology we were able to retrospectively analyze a real-world clinical study and conduct a workshop to successfully generate new ideas for further improvements on a global scale,

said Jens Opitz, Executive Director, Head of Global Clinical Operations at Merz Pharmaceuticals GmbH. Read also: [Merz Pharma’s RBQM Journey](#) published by Applied Clinical Trials in 2020
